

Emerald Coast Bikefest

Bike Show

We've made some changes to the classes for this year's Bike Show. Please ask the judges for clarification and last minute updates.

The Bike Show and judging will be in front of the stage (if at all possible). Please check on site for any changes.

Rules & Notes

- Free Entry.
- Trophies are awarded in the top three of each class except for the RAT class.
- Only a first place trophy will be awarded for the RAT class.
- Best in show is not a class and is awarded \$100. This bike is normally a winner of one of the ten classes.
- Bike owners decide what class they would like to enter (at the discretion of the judges).
- All judges decisions are final, absolutely no exceptions.

Custom - Any custom paint or mild modifications to a factory built bike (i.e. custom paint and bolt on aftermarket parts).

Custom Chopper - Includes any modification to the frame. Examples of custom choppers are those that have changed the rake on the triple trees, or stretched the frame. This includes bikes such as Big Dog, Ironhorse, and homebuilt.

Rat - No rules but it's gotta be a RAT bike...as in I can't believe this actually runs!

Sport - Buells, Ninjas, GSXRS, R1 CBR, etc

Touring - Bagger style bike.

Cruisers - Cruiser style bike.

Metric - Japanese built bike.

Antiques - Anything built on or before 1980 and mostly stock.

Daily Driver - Must be registered with current plates.

Trikes - Three wheeled bikes or bikes with sidecars.

Best in Show - This distinction is made by the judges. In their opinion this bike is the best all around bike in the show.

Disclaimer: The classes will be judged solely on the personal preferences of the judges. We don't claim that they know all about the subject matter and may not be completely sober at all times. No points may be awarded and no score sheets will be made available for review by contestants. Contestants are responsible for choosing the correct class for their bikes, but the judges have the final say.

No whiners or crybabies please, this is a fun event. Good Luck, you're going to need it.
